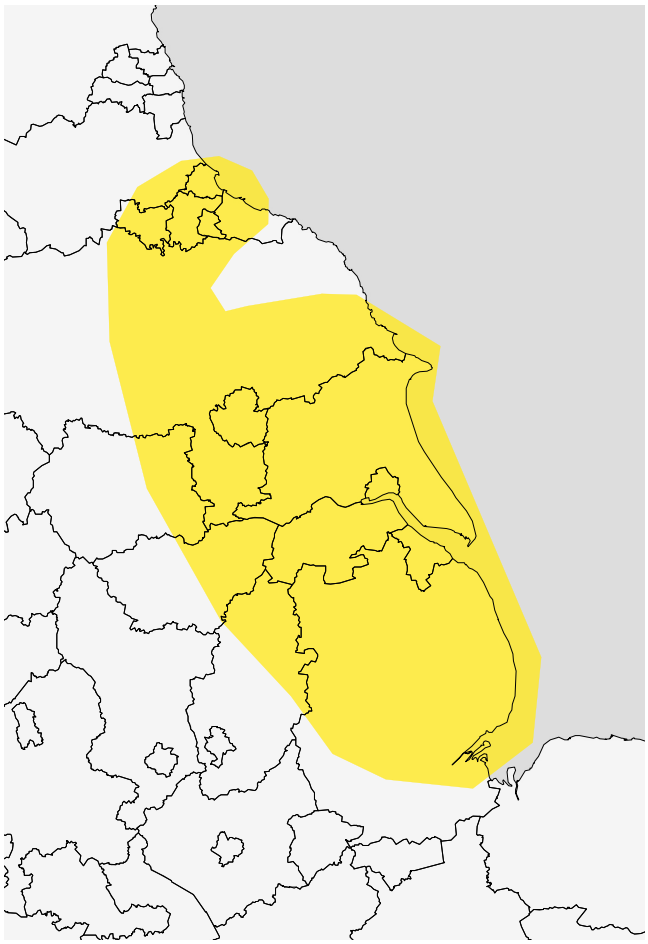
Yellow warning
Fog

Between
19:36 Tue 14 Feb 2023 and
09:00 Wed 15 Feb 2023



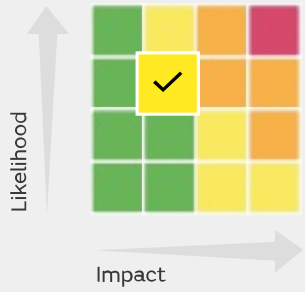
Areas of dense fog are expected to cause some challenging travel conditions through Tuesday night and early Wednesday morning

What to expect

- Slower journey times with delays to bus and train services possible

Further details

Areas of dense fog are developing across eastern and northeast England this evening with the visibility falling to between 50-100 metres at times. Fog is likely to begin clearing around dawn for many places, although lingering a little longer through the Vale of York.



Medium likelihood of low impacts

Issued at 19:36 Tue 14 Feb, 2023
